DOWNTOWN CROSSING—A little more than a month ago we told you about the newly listed 3-BR, 3-BA penthouse at 45 Province asking **\$4,699,000** <http://boston.curbed.com/archives/2013/11/gasp-at-45-provinces-penthouse-windows.php> . It's found a buyer. The deal hasn't closed yet, so the exact trading price isn't known. But—poof!—there it went in this ~~fr~~ super-strong Boston condo market.
