PRIVATE SPA OFFERS SANCTUARY ATOP BOSTON'S 45 PROVINCE

Author: Ashley Fraxedas
Date: 11/06/2012

Perched 30 stories above Boston, the Penthouses at 45 Province offer luxury, urban condo living with an indulgent twist — a residents-only spa due to a unique partnership with Exhale Mind Body Spa. Sure, the penthouses are custom and range from 2,471 square feet to more than 5,700 square feet, with private terraces and roof decks. But topping it all off, the exclusive spa at 45 Province has a relaxation lounge with tea bar, rooftop meditation terrace, in-home personal training, and traditional spa therapies, of course. Residents can even participate in Exhale led workshops on current health and well being topics. The penthouses range from \$1 million to \$4 million. Visit www.45Province.com
